## TEN TEAMS REMAINING

### In Six Day Bicycle Race Seven are Tied at 1,353 Miles and 8 Laps—All Far Behind the 70 Hour Record Made Last Year.

New York, Dec. 8.—After 72 hours of riding, marked by record-breaking up to Tuesday night, the six day bicycle race got down to a steady grind at Madison Square Garden after midnight this morning. At midnight the 72 hour record stood at 1,353 miles and 8 laps, made by Halstead and Lawrence last year.

There was a small swell shortly before 11 o'clock. Gordon Walker had just relieved his partner when Mitten ran in and over him. Walker was picked up, unconscious, and carried to his dressing room, where the surgeons, after superficial examination, said the Australian's left hip was badly bruised and he may have sustained internal injuries. Mitten escaped with a few bruises and was able to resume the race.

New York, Dec. 7.—The ten teams remaining in the six day bicycle race were riding in three divisions at 10 o'clock tonight, seven tied at 1,353 miles and 8 laps, two at 1,352 miles and 7 laps, and one at 1,351 miles and 6 laps. The seven leaders were Root-Moran, Pre-Walker, Hehr-Goulet, Pogder-Hill, Chas. Drouch, Cameron-Halstead and Mitten-Thomson.

The MacFarland-Clarke and West-Demara combinations were just lap behind the leaders; then came Rutt and Stul.

Shortly after 5 o'clock there was a rather exciting scene when a crowd of about 100 men, some of whom were carrying lanterns, entered the arena and fell from their wheels. This was the first time since the race began that a crowd of this kind had entered the arena. The event is to be put on under the auspices of the managers of the two local men.

Young Gotsch to Meet Cassie, the Terrible Greek, Friday Night.

Arrangements have been made for a good card at Stafford Springs Friday evening when Pete Reynolds of that town will meet the local champion, William Gotsch, in a four round and a five round fight. The event is to be put on under the auspices of the managers of the two local men.

100 to 1 Shot Surprises by Finishing in Second Place.

Oakland, Cal., Dec. 7.—Dutch Rock, a 100 to 1 shot, proved a surprise by finishing second to Edmond Adams in a four-horse race at Emeryville today. It was expected that Maxing and Golden Acres would be the contenders and the layers quoted 20 to 1 against Dutch Rock for the place.

Polo Scores Wednesday.

At Worcester: Worcester 7, Providence 4.  
At Hartford: Hartford 11, Fall River 4.

Hackenschmidt Defeats Westergaard.

Chicago, Dec. 7.—George Hackenschmidt defeated Joss Westergaard, the Iowa wrestler, in two straight falls to night, the first in 1 hour and 5 minutes and 15 seconds, with a double bar arm hold. The second fall occurred in 11 minutes.

HEAVY OPENING

Quickly Followed by a Smart Rally—Irregular Price Movement.

New York, Dec. 7.—Prices moved irregularly in the stock market today, and while net changes were unimportant, the buying and selling reflected a condition born largely of an absence of investment demand. A heavy opening was followed immediately by a smart rally, but before noon the market was again under pressure and prices made new low records for the movement. In the later session prices recovered, but the market remained in a state of extreme dullness, which it held to the end.

Further digestion of the president's message appears to have convinced Wall Street that the element of doubt contained therein are entirely in accord with the conservatism so often expressed by the administration for the best interests of the financial, commercial and industrial world.

Introducing into the lower house of a resolution providing for a constitutional amendment to enlarge the powers of Congress in dealing with the so-called monopolies was entirely ignored. There was a recurrence of rumors of a possible withdrawal of the state of trade in various lines, but this was offset in a measure by the reassuring statement of the chief representative of the steel and iron industry.

Notwithstanding that the present period is one of the duller of the year, there exists a well defined impression that the propaganda of pessimism is being overcome in many quarters.

American stocks were heavy in London, with a slump in domestic issues, resulting from the headway made by the liberals in the elections, but concerns were a fraction firmer. Local trading for the market was insignificant, with a few sales of United States Steel and Amalgamated Copper.

More shipments of currency to the south for account of local banks were made through the sub-treasury and the drain already sustained should in the natural course of events make for another large loss of cash by the associated banks.

Trade authorities report a slackening demand for copper, and the monthly statement of the Copper Producers' association, to be issued tomorrow, will probably show the reversal. Exports of the metal to Europe, however, are believed to have kept pace with the large shipments made in October.

In the way of railroad returns for October, Chesapeake and Ohio reported an increase of \$207,000 in cost of operation, which resulted in a decrease of \$145,000 in net. Denver and Rio Grande's operating expenses increased \$75,000, with a net loss of \$7,500.

The bond market was easy. Total sales, par value, \$2,020,000. United States bonds were unchanged on call.
